FIATA Review | September 2020

Key topics include:

Challenges for a sustainable future

Globalisation has fostered maritime trade over a long period, but the tide has turned. In these difficult times, **FIATA Working Group Sea Chair Jens Roemer** addresses the current industry developments and perils, while pointing out the need for a long-term dialogue amongst maritime partners for a sustainable supply chain.

2021 FIATA World Congress Belgium. What's New?

Marc Huybrechts, chair of next year's **FIATA World Congress (FWC)** and long-time member of FORWARD Belgium, the national logistics association organising the 2021 FWC, discusses key topics to be addressed at the congress, including sustainability in logistics, innovation and digitalisation trends, and of course COVID-19.

A demurrage and detention toolkit

Following the FMC's landmark decision on demurrage and detention, FIATA is set to launch a dedicated toolkit this autumn, geared towards empowering members to promote the decision in their national contexts.
