▶ As a logistic service provider, we're specialized in intra-European transport with a focus on intermodal and shortsea-solutions. We organize this with our own containers for following destinations: UK and the Irish Islands, Greece, Malta, Spain, Portugal. Next to this the ACB Group offers its own container tractions (32 trucks), container sales and -lease. This allows us to be competitive (less people in between), but also enables us to give our customers a high level of service. Finally, we aim to be a service agent in Antwerp, offering a total package for your deepsea shipments, including customs formalities, handling paperwork with the carriers, organizing the transport from/to your warehouse, etc... As an addendum we're also member of 2 Freight Forwarder Networks, who have an agent in each major sea port all over the world, who can provide assistance with the local handling of all your import/export shipments.
