DIGITAL LOGISTICS

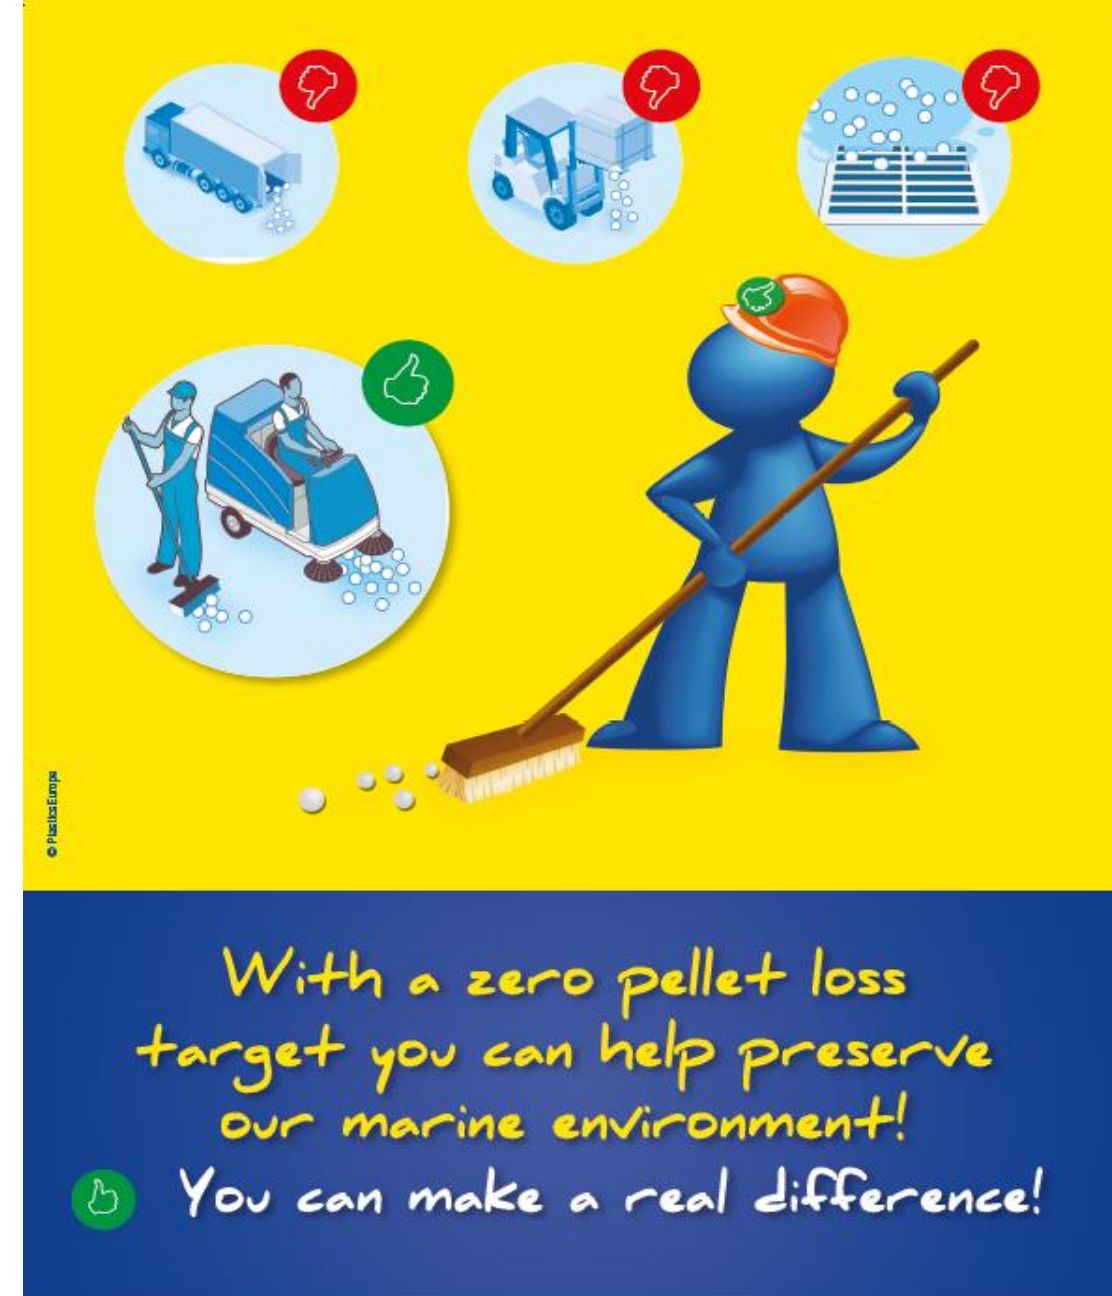

Part of

Operation Clean Sweep[®]

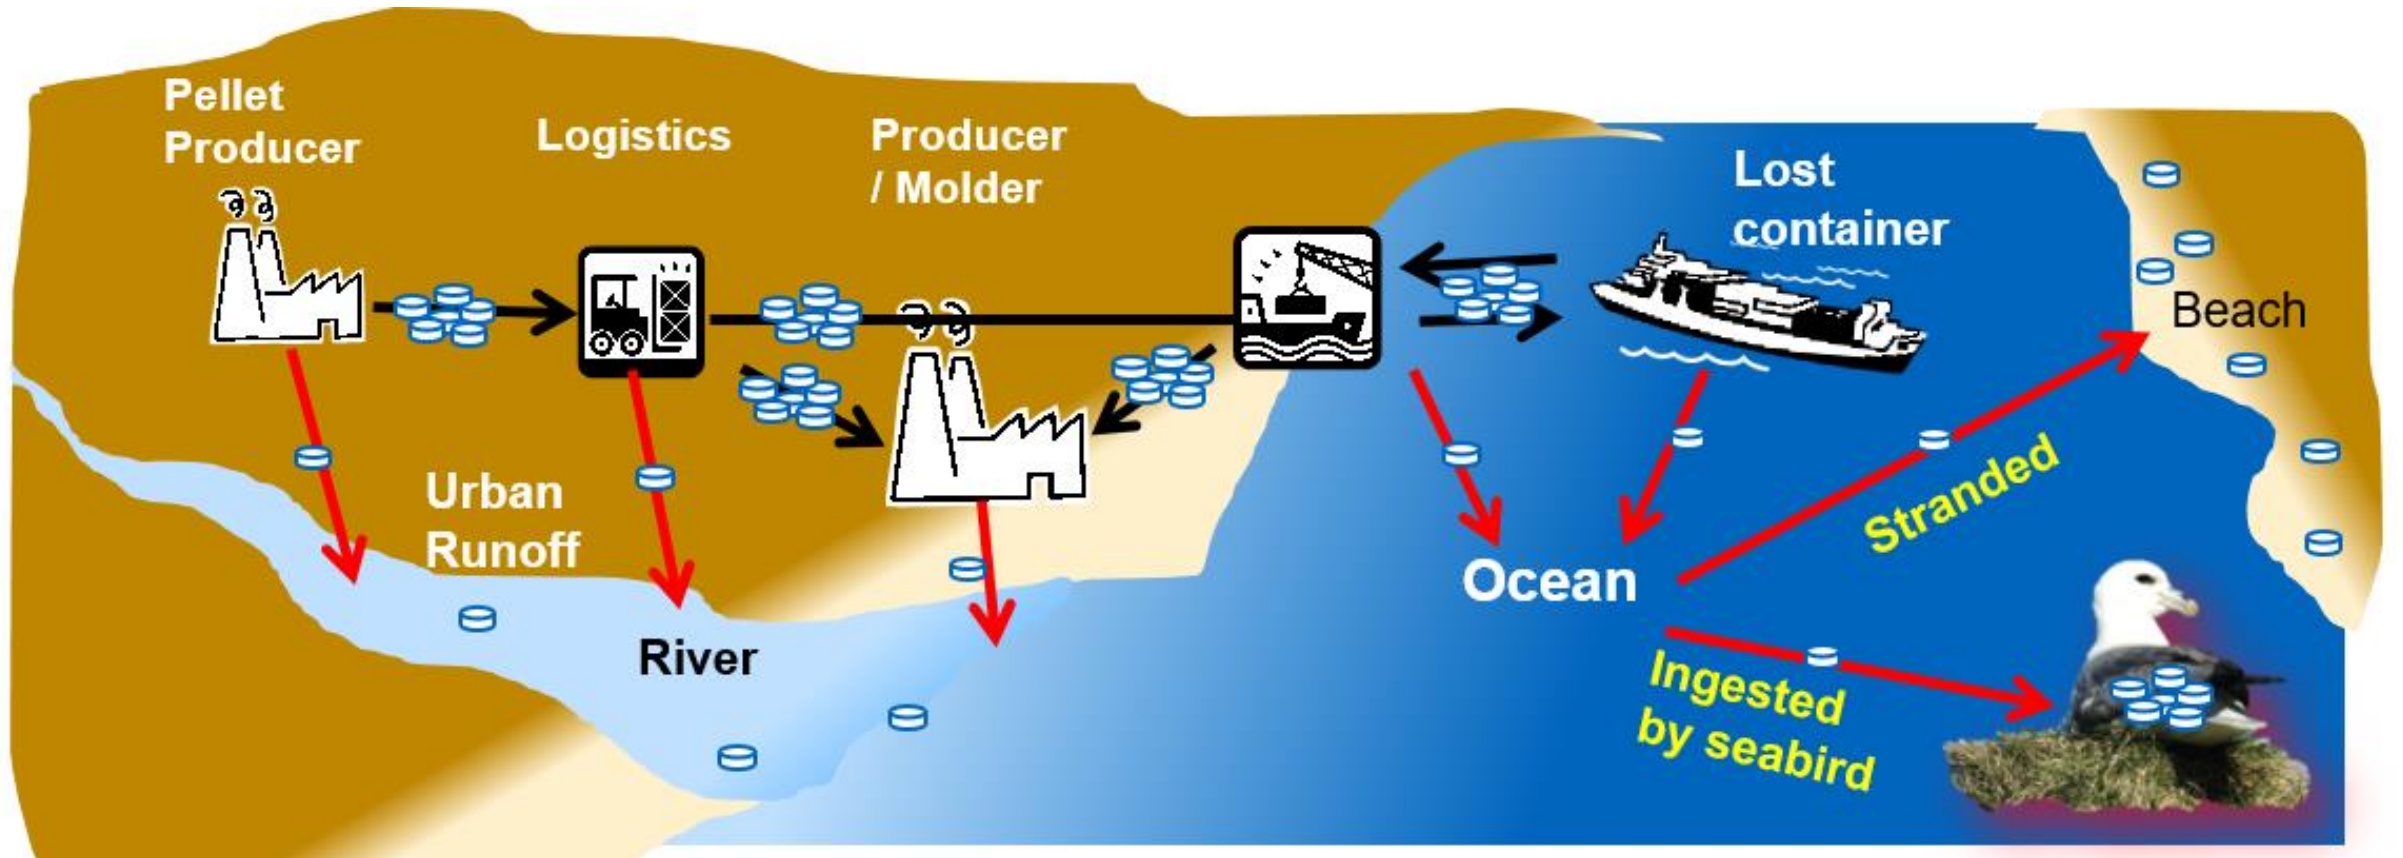

OPERATION CLEAN SWEEP

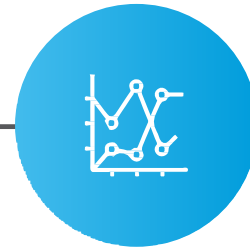

- First European forwarder to sign the pledge in 2018
- Fight plastic pellet spill:
 - Encourage our partners (transporters & warehouses) to pursue the same goal and aim for zero pellet loss
 - Have active employee participation through awareness program, providing information about the impact of pellet loss on the environment and our OCS-commitment + clean-up participation

OPERATION CLEAN SWEEP

WHY ELITE?

- Dedicated to the (petro)chemical industry
- Sustainability-driven & ethical
- Customer satisfaction and integrity

- Dedicated Key Account Managers
- Hazardous-goods certified staff
- Customer oriented & flexible
